

Sportive Kinross 2013 King and Queen of the Mountains:

As a new initiative for 2013 a timed hill climb from Dunning to the summit on Dunning Common was introduced for those on the Red and Black routes. The timing of this climb uses the same technology as provided by Finishline Timing to record your time for the overall event.

Congratulations to our newly crowned King & Queen of the Mountains and to all those pretenders who made this a very close competition.
